

CS

ROBUST AND ESSENTIAL
GLASS & DISHWASHERS

DIHR
we mean clean

You asked and we listened! We are thrilled to announce our brand new range: CS. These robust and essential glass and dishwashers simply make sense. Nothing superfluous: solid S/S body with

double wall-door, sloped tank, innovative and light arms, controlled temperatures and, only if needed, detergent dispenser and drain pump. Wash, rinse, restart. It is really that simple.

ELECTRONIC VERSION

The intuitive LED control panel of the CS L models will display if the correct temperatures of both tank and boiler have been reached. You can choose among 3 different wash programs to perfectly tailor the performances of the machine to the crockery that needs to be cleaned.

FEATURES

- Solid structure in AISI 304 stainless steel
- Sound and heat proof double-skin door
- Door with anti-shock system
- Sloped tank with screwed basket rails
- Overflow and drain pipes integrated system, for a triple protection of the washing pump
- Non-drip roof to safeguard the hygiene of the freshly washed dishes
- 1 wash cycle on electromechanical versions
- 3 wash cycles on electronic versions
- Innovative system of coupled wash and rinse arms in polypropylene and fiber of glass (CS 50 / CS 50 L)
- Light wash and rinse arms, granting the best efficiency also when the water pressure is weaker
- Easy to remove nozzles, to help with daily cleaning operations
- Back flow prevention valve
- Thermostop system: the rinse starts only when the water in boiler reaches 85 °C
- Standard rinse-aid dispenser
- Glasswashers also available with round basket (CS 35 / CS 40)
- Self-cleaning cycle on the electronic versions
